A woman with short red hair and glasses, wearing a bright red coat and a light blue scarf, is sitting on a green metal chair on a paved path in a park. She is looking down at a black bag on her lap. In the background, there is a large, ornate stone monument with a plaque. The park is filled with green grass, trees with yellowing leaves, and other people sitting on the grass in the distance. The overall scene is captured in a cinematic, slightly dimly lit style.
